Hints and FAQs

During the order process on our shop site you have the opportunity to register as guest or later as new customer, in order to make future orders more comfortable. So register as new customer at the beginning and follow the dialogue. As your e-mail will be the key, you can get your password again in case you do not have it while processing your next order.

Please notice that your order can just be fulfilled, if payment is fulfilled too. At the last step of ordering you will be directed to United Online Services, a payment system that allows payment by Credit Card or payment by invoice. As soon as the Invoice is paid, shipment or delivery of licenced files will start from our side will start at once.
